Inspector General's Recommendation Number 7c, page 71

Recommended DCI Action: Approve

Inspector General's Statement

Recommended that:

DD/P direct that in all long-range operational planning the implications with respect to possible radical change in requirements as to the nature or extent of language capabilities be carefully considered and that the conclusions reached be regularly and promptly communicated to the DTR.

DD/P Comment

✓ Concur. The effect of this recommendation can be achieved within the terms of the present system of annual Division programming.
